204D
Contract

Printer and Multifunction
Device Equipment for Purchase
or Lease with Support

Systel, a state contract vendor for more than 35 years is proud to be a 2017 NC State Contract 204D award holder. We are the only authorized independent dealer to receive this award and we believe it is our customer service and 2 hour response time that sets apart.

Whether you're at the local, county, or state level—from agencies to educational institutions — you can now benefit from this exciting new contract. There is no need to bid your contract for multifunctional devices, printers or other business equipment as the State has already selected Systel as a preferred vendor for these services.

bizhub SECURE: Service for your peace of mind

Through Systel's partnership with Konica Minolta we offer the latest in document security. Products like bizhub SECURE provide customers with the resources they need to protect any document data and information that reside on the bizhub's internal hard drive. After determining the customer's specific needs, Systel configures several security features of the MFP in order to keep the data, documents and information related to the MFP secure. An individual bizhub SECURE certificate is issued to the customer confirming this protection.

bizhub SECURE benefits

- bizhub SECURE guards against possible MFP security leaks, ensuring your reliable security protection.
- bizhub SECURE protects your documents, data and information and prevents financial and reputational damage for your company.
- bizhub SECURE gives you peace of mind!
